Join A Growing Practice Offering Therapy, Assessment, and Forensic Opportunities

PARC & Associates is a growing multidisciplinary mental health practice seeking licensed clinicians who are passionate about providing exceptional care while expanding their expertise across psychotherapy, psychological assessment, forensic services, and treatment of justice-involved youth.

Whether you are looking to supplement your current caseload or build a long-term professional home, PARC offers flexibility, collaboration, mentorship, and diverse clinical experiences.

Why Clinicians Choose PARC

- Flexible Scheduling & Clinical Autonomy
- Competitive Compensation
- Established Referral Streams
- Administrative & Billing Support
- Telehealth & In-Person Opportunities
- Collaborative Team Culture
- Supervision & Mentorship
- Leadership & Program Development Opportunities

Diverse Clinical Opportunities

Psychotherapy

- Individual Therapy
- Couples Therapy
- Family Therapy

Psychological Assessment

- ADHD Evaluations
- Autism Spectrum Disorder (ASD) Assessments
- Diagnostic Clarification
- Comprehensive Psychological Testing

Forensic Services

- Forensic Psychological Evaluations
- Court-Related Assessments
- Consultation Services
- Specialized Forensic Case Work

County Contract Programs

Work directly with justice-involved youth through established county partnerships:

- Individual Treatment
- Group Therapy Programs
- Juvenile Sexual Offender Treatment
- Violent Juvenile Offender Treatment
- Rehabilitation & Reentry-Focused Services

Supervision & Professional Development

PARC is committed to helping clinicians grow and expand specialized areas of practice

Opportunities Include

- Individual Consolation
- Case Review & Peer Consultation
- Assessment Mentoring
- Exposure to Forensic Practice
- Group Consultation
- Specialized Clinical Training
- Program Development Experience
- Leadership Opportunities

Team Culture

At PARC & Associates, clinicians are supported by a culture of collaboration, respect, and professional excellence. We believe clinicians do their best work when they feel connected, supported, and empowered!

Our Team Values

- Collaboration Over Competition
- Clinical Excellence
- Ethical Practice
- Open Communication
- Diversity & Inclusion
- Work-Life Balance
- Lifelong Learning
- Supportive & Professional Relationships

APPLY TODAY

Whether you're expanding into assessment, forensic services, or juvenile justice treatment, PARC provides opportunities for growth specialization, and career advancement!
